Channel Partners Capital wins 2016 Top 100 Best Companies to Work For award from the *Minnesota Business Magazine*.

MAPLE GROVE, Tuesday, March 22 – Channel Partners Capital LLC announced today they have been selected by *Minnesota Business* magazine as one of the top 100 Best Companies to Work For. This award recognizes Minnesota’s top companies and determines which companies excel in the areas of work environment, employee benefits and overall employee happiness, making them the 100 Best Companies to Work For.

“Great people make Channel Partners Capital a ‘best place’ to work,” says CEO Brad Peterson. “I couldn’t be more proud of the people I get to work with every day and it’s wonderful that *Minnesota Business* recognizes us as a best place to work.”

“We are proud to salute these 100 companies who realize their most important assets are their employees,” says *Minnesota Business* Editor-in-Chief Steve LeBeau. “This instills such a heartfelt loyalty, that these employees proclaim their companies to be the best.”

All companies nominated were internally vetted and emailed a survey to be completed by each of their full-time employees. The results of these anonymous employee surveys were then tabulated with the 100 winners revealed based on the best of those results.

The 100 winning companies will be celebrated on June 2, 2016, at The Depot Renaissance Minneapolis Hotel hosted by *Minnesota Business*.

Channel Partners has also been recognized as one of Inc. Magazine’s fastest growing privately held companies in the United States for 2013, 2014 and 2015.
